Other Liturgy Items

- The school will be doing the May crowning on Friday (5-5) and we will perform it at masses this weekend as well.
- Budget Items
 - Adding money for second Altar cloth
 - Kathy is going to lookup a price for an Ambry for the holy oils and a table for the sign in board so the folding table can be used for other things.
- Adoration Discussion
 - Deacon Fred put together an outline for us to discuss. Part of it included a process to introduce and inform the parish about Adoration. This will allow us to greatly increase the interest and participation in the Liturgy of Adoration. The committee has approved his outline. We also discussed using this outline for other forms of prayer in the future.
 - Further details are being worked on to educate and expose parishioners at many different levels with a tentative start time of the fall.
 - In the meantime we would like to have information disseminated during homilies over the next few weeks and then a day will be scheduled in June to have adoration available to the whole parish. Deacon and Father will provide information about this date.

- Kathy's Last Day - The committee is very grateful for all of the blessings that Kathy has brought to the Liturgy Committee and she will be greatly missed on the committee.

Next Meeting:
