Ministry Reports-

Altar Servers: We have a couple of new folks that are doing well.

Eucharistic: There are few more for training. Nothing else to report. Requested that musicians receive communion first.

Hospitality \ Cross Bearer: Discussed how for some volunteer Masses we have lots of help but not a whole lot of people signed up ahead of time. Also discussed the counting of folks from October; it's about 1,000/week. It looks like 4:30pm and 6:00pm are pretty similar in count; 150-200.

Lectors \ Commentators: Mike has revised the outline for lectors and commentators. Commentators will be no more. Starting next year the first reader will carry in the Book of the Gospels and the second reader will do the prayers of the faithful. He is also planning to do another training at the beginning of next year. We need to order the next series of the Lector workbook. (50)

Environment: New purple altar cloth & banners ready for Advent. Vicki has memorials for poinsettias available online.

Music: *see communion note above
